When I saw your face
When I saw your face
I knew I was in love
Right away

When I saw those eyes
Looking into mine
I knew I was in love
I knew I was in love

I'm only here for a minute
I don't have a lot of time
I got a couple of questions to ask you
Girl, I hope that you don't mind
Do you have a bike?
Do you like to run?
Do you like to go on long walks in the sun?
I want to see the sights, I want to see them with you

When I saw your face
When I saw your face
I knew I was in love
Right away

When I saw those eyes
Looking into mine
I knew I was in love
I knew I was in love

When I saw your face
When I saw your face
I knew I was in love
Right away

When I saw those eyes
Looking into mine
I knew I was in love
I knew I was in love

I knew I was in love
I knew I was in love
