"Clarity"

I found my leaving shoes you tried to hide
Buried deep in your cedar chest
I think that it's time I left
These yellow lines and white dust
They were me
This is how I wanted to be
Paved as far as I can see

But I will miss you
But know that I didn't have to

Run, Run, Run, Run
Clarity, this clarity
I don't think you understand
I hope that you understand

I don't wanna feel like I'm
Part of this big machine
Every day I do the same things
But they don't mean a thing to me
'Cause I want to leave and never turn around
This is how I wanted to be
Paved as far as I can see

Run, Run, Run, Run
Clarity, this clarity
I don't think you understand
I hope that you understand

Clarity, this clarity,
For once, for once

'Cause I can't breathe now, I can live for once

And so I've got to

Run, Run, Run, Run
Clarity, this clarity
Clarity, this clarity
I don't think you understand
I hope that you understand

Why I have to leave
