"Empty Me"

Lord
You're the mover of mountains
And Lord
You're the filler of seas
And you
Hera the little ones crying
And You
Heal the wound under my knees
As I bleed

[Chorus]
Bare on this weight
So I can run again
Take all this scars
So I can heal
Try me to see
Who you really are
Give me yourself
Fully empty me

Empty me

You
Spoke the world out of silence
And you
Broke the darkness with light
And you
Made the light came to be
And you
Will heal the broken hearted
When they bleed

[Chorus]

All things made new
Is what you promised me
'cos its empty me
My heart made new
Is what you promised me
Get it off all the pains

[Chorus]
