I was at home watching TV
On a Saturday night
I bought a soda and popcorn
And you called and said you're going out
I thought:
Alright, more for me then
I just wanted you to have fun
But a few happy months later
I hear the things that you've done

Miss Nobody
What the hell happened to your grace?
The person I knew
Would have never done anything like this
Who the hell are you?
Miss Nobody

I thought I was a good boyfriend
Giving you space to breathe
It turned out I was just a clown
The joke was always on me
But I was never around
So I just couldn't see
You dragged home all your playmates
And didn't even change the sheets

Miss Nobody
What the hell happened to your grace?
The person I knew
Would have never done anything like this
Who the hell are you?
Miss Nobody

Thank you for making me
Feel like the biggest loser alive
And than you for throwing away
These three years of my life

Miss Nobody
What the hell happened to your grace?
The person I knew

Would have never done anything like this
Who the hell are you?

Miss Nobody
What the hell happened to your grace?
The person I knew
Would have never done anything like this
Who the hell are you?
Miss Nobody
Who the hell are you?
