And just like the movie, you're waiting on me
'Cause I'll wait on you, if you'll wait on me
These things take time, and we'll wait for it
Like we were dogs, like we were dogs

And tell me that you're gonna come back home again
And tell me that you're coming back alone
It's not like me to leave you on your own again
But if we're good, and if we wait, and wait, and wait

You wait, you wait, you wait
You wait, you wait, you wait
Like we were dogs
Like we were dogs

Patience is testing, and waiting is cruel
And sometimes you feel like a fool
But these things take time, and we'll wait for it
Like we were dogs, like we were dogs

And tell me that you're gonna come back home again
And tell me that you're coming back alone
It's not like me to leave you on your own again
But if we're good, and if we wait

You wait, you wait, you wait
You wait, you wait, you wait
Like we were dogs
Like we were dogs

And tell me that you're gonna come back home again
And tell me that you're coming back alone
It's not like me to leave you on your own again
But if we're good, and if we wait

And if we're good, and if we wait
And if we're good, and if we wait

You wait, you wait, you wait
You wait, you wait, you wait
Like we were dogs

Like we were dogs

It's not how it looks, it feels right
You caught me off guard, but it feels right
It's not how it looks, it feels right
You caught me off guard, but it feels right
