You play what I say
Yoko Ono
We fly to Tokyo
To say bye to Yoko

And she gets jealous when I'm away
I've got nothing else left to say
Yoko Ono

And she gets jealous when I'm away
I've got nothing else left to say
Yoko Ono

Jono, he went solo
'Cause Yoko said oh, no
No, no

We fly to Tokyo
To say bye bye bye
to Yoko
Oh no

And she gets jealous when I'm away
I've got nothing else left to say
Yoko Ono

And she gets jealous when I'm away
I've got nothing else left to say
Yoko Ono
