You should have treated me right
But you left me lonely and cold at night
Said you wanted someone real
Treat me better and be for real
If you didn't want it you should a let me know
But since you didn't want it
Then girl you got to go
You left me sad and lonely
And ran away from home
So since I'm not your only then go
And fetch your bone

Dawg
dirty dawg
dawg
dirty dawg
Dawg
ooh you're a dirty dawg
Dawg
dirty dawg
dawg
dirty dawg
Dawg
ooh you're so dirty

I gave you all that I can
Till I caught you swingin' with another man
But this time you strayed too far
Now you come beggin' like the dog you are
If you didn't want it you shoulda let me know
But since you didn't want it
Then girl you got to go
Don't think that you can play me
And jerk me all around
You used to be my baby
Now your ass is in the pound

Dawg
dirty dawg
dawg dirty dawg
Dawg
ooh you're a dirty dirty

Dawg
dirty dawg
dawg
dirty dawg
Ooh
you're so damm dirty

Yo Yo
why you wanna act like a tramp
A wed food stamp
I think it's time for me to break camp
Had a crush on my man
The first time we met
Now what you see is what you get
Lost more than a meal on a gambling bet
So here's the shuckwagon for the dog in you
Here's the kennelration and the alpo too
Now you know I didn't wanna her
She tried to back me in a corner
Told her vlow
The horn like little Jack Horner
Forever forbidden
the last girls life
The fast cars they call 'em kittens
They've been known to amaze
But they can't pull one over on me
I got game for days
Save the sap rap
For the handicapped
I've been around the block
And I didn't fall for the trimmed trap

Dawg
dirty dawg
dawg
dirty dawg
Dawg
ooh you're a dirty dawg
Dawg
dirty dawg
dawg
dirty dawg
Dawg
ooh you're so dirty

Whoah whoah whoah whoah
Dawg
whoah whoah
