Hold on, girl, ooh, girl, hold on.
Girl, let's rock around the clock, we can dance and
never stop.
Come on, girl, just hold on tight, I know you wanna rock
tonight.
Through the night into the day we could chase our
blues away,
so grab a hold, don't lose control, I really know you got
the soul.
Hold on, girl, hold on, ooh, girl, hold on.

Hold on, girl, hold on, ooh, girl, hold on.
Girl, the feeling's in the air, don't you know, it's
everywhere.
Everywhere around the block people dance until they
just can't stop.
Through the night....

Hold on, girl, hold on, ooh, girl, hold on [repeat &
fade]
