This Right Here, Goes Out To Everyone
Who's Lost Someone That They Truly Loved
C'Mon, Check It Out

Seems like yesterday we used to rock the show,
I laced the track, You locked the flow.
So far from hangin' on the block for dough,
N-O-T-O-R-I-U-S they got to know that.
Life ain't always what it seem to be
words can't express what you mean to me.
Even though you gone, we still a team,
Through you're family I'll fulfill You're Dream.
In the future, can't wait to see
if you open up the gates for me.
Reminisce some time, the night they took my friend
try to black it out, but it plays again.
When it's real feelings hard to conceal, can't imagine
all the pain I feel.
Give anything to hear half you're breath,
I know you're still living you're life after death.

(Chorus)
Every step I take
Every Move I make
Every single day and time I pray
I'll be missing you
Thinking of the day
When you went away
What a life to take
What a heart to break
I'll be missing you
