Oh baby  
Think it's time  
That you let me come inside your happy home  
Show what you what a man like me can do  
When you let me get next to you  
Baby come and let me love you  
All night  
Can you imagine  
What we could do alone?  
Turn off the phone  
I'll teach you passion  
Come inside your happy home

I'll do you right  
Oh baby please stay  
Stay with me forever  
Make love every day  
We'll be makin' love  
Let's do it together

[Chorus: ]  
Let's play house  
Come and live with me in my dreams  
Our secret hideaway  
Let's play house  
Take a ride the night has just begun  
Let me love you 'til the morning light

When we're together  
I love to take off your clothes  
Undress you slow  
Ooh, it only gets better  
When I love you nice and close  
To make you feel

Oh baby please stay  
Stay with me forever  
Make love everyday  
We'll be makin' love  
Let's do it together

[Chorus ]

Oh baby please stay  
Stay with me forever  
Make love everyday  
We'll be makin' love  
Let's do it together

[Chorus ]
