Keepin' on..... Keep keepin' on....

[Rap:]

Yo, all I wanna do is like swing with you,
is like swing with you, just swing with you, yo baby,
all I wanna do is like swing with you, so come on girl
and swing,
so we can do our thing!
All I wanna do is like swing with you,
is like swing with you, just swing with you, yo baby,
all I wanna do is like swing with you, is like swing with
you, just swing!

Ooh, ooh, baby
Come on, sugar
Baby, baby, come on

May be a fool to let my heart control me
And my mind is telling me I'm crazy
Is she the one although she hardly knows me
Should I cut her off, for my own safety
Will it last forever?
I don't think so
Will we stay together?
I don't know
My friends say never
Let your heart control you
Is it for the better?
Tell me so

[Chorus:]
Are you really Mrs. Right
'Cause I can't make up my mind
Girl you are so fine, so fine
Baby let me know the deal,
'Cause I gotta know if it's for real
Say you will be mine, all mine

Are you really? [repeat 4 times]

Where do I turn, I don't know which way
Will I ever learn from my own mistakes
If I play it smooth will Mrs. Right swing this way

Or will it lead to another heartache, baby
Will it last forever?
I don't think so
Will we stay together?
I don't know
My friends say never
Let your heart control you
Is it for the better?
Tell me so

[Chorus twice]

(I just can't fight it) I just can't fight it
(The way I feel) The way that I feel about you
(You've got to tell me) Tell me baby
(Are you for real?) Oh, baby

[Rap]

Chorus three times and fade
