Come on girl! Oooh! Yeah!
You're my pretty little angel, gorgeous little girl
I really love to see you in your candy curl
You're sugar in the morning, sugar in the night
Come-a, come-a, come-a, mama, treat me right

[Chorus:]
(Treat me right)
Come on, girl
(Treat me right)
Ooooh, baby
(Treat me right)
Oh, girl
(Treat me right)
Oooooooh!
Come-a, come-a, come-a, come-a, mama and treat me
right

Every time I see you walkin' down the street
You're lookin' so good you make my heart skip a beat
Pretty little angel, gorgeous little girl
Come-a, little lady, let me rock your world

[Chorus]

Hey! You're lookin' real good!

Don'tcha know you're the only girl
The only girl I want in this whole world
You got to know that I love you so
And I'm never ever gonna let you go

Early in the morning when the sun comes out
You're the only thing that I'm thinkin' about
You're sugar in the morning, sugar in the night
Come-a, come-a, come-a, mama, treat me right

[Chorus]

Don'tcha know you're the only girl
The only girl I want in this whole world
You got to know that I love you so

And I'm never ever gonna let you go

Pretty little angel, gorgeous little girl
I really love to see you in your candy curl
You're sugar in the morning, sugar in the night
Come-a, come-a, come-a, mama, treat me right

[Chorus]

Hey! You're lookin' real good now!

Treat me right girl, treat me right [3 times]

[Chorus]

Hey! You're lookin' real good now!
[Chorus and fade]
