Yeah, yeah, yeah, yeah, yeah, yeah, baby.
Girl, you've done me wrong, now you're running back
to me.
Thought you were my lady, girl, you drove me crazy,
now you want the world to see.
[Rap:] You must think I'm crazy, please, don't think I'm
blind.
Don't wanna dig your line.
Even though I still love you, always thinking of you
[Rap:] You better believe I got my pride.
Sooner or later love is gonna get you - sooner or later.
Somehow I know I knew it would get you, love was
gonna get you.
[Rap:] Girl, why you done like this, I know I still love
you, check it out.
What'cha gonna do about it, girl, what'cha gonna do?
You know you done me wrong, I'm still in love with you.
What'cha gonna do about? I can't get you out of my
mind.
Every time I see you this happens all the time.

Girl, you made me laugh, girl, you just don't make me
cry.
Give me plenty of loving, kissing and a hugging, girl,
and that I can't deny.
Sooner or ...
[Rap:] Listen, I know you still love me, I can see it all
over your face,
so what's up?
What'cha gonna...

What'cha gonna do about it, girl, what'cha gonna do?
You know you done me wrong, I'm still in love with you.
What'cha gonna do about it, girl, I've got to know
'cause I'm still in love with you.
Girl, you are a star, make me wanna play my guitar.
What'cha gonna do about it? [repeat & fade]
