Where do I go from here? Do I tell you I still love you?
And where do I go from here? Do I tell you I still miss
you?
Can't you see, you're a part of me?
Don't you know, I can't let you go?
My problems are few when I am with you, what should I
do?
I don't know, I don't know.

Where...
Picture me not loving you, picture you, what you're
going through.
My problems....

Where...
Where do I go, where do I go from here?
Where do I go, where do I go from here?
Tell me do I tell you that I love you,
tell me do I tell you that I need you,
where do I go from here?
Tell me... [repeat & fade]
