You had me with the first words that you uttered  
Got me all tongue tied, I was so flustered  
Had me thinking you could be the one  
Naive I know but I was still young  
Hell I was already planning our entire life  
Oh how badly I wanted to be your wife  
Then suddenly it all came crashing down  
Realized you weren't the man I thought I had found

What we had was not real  
You were untrue  
Pretended to love me  
Played me a fool  
Now I know you were messin around  
Why don't I give you that ring back now?

False love, false love  
That's exactly what it was  
You're a counterfeit, counterfeit  
And that is my 'because'

You ain't never gonna see that rock again  
You ain't never gonna see that rock again  
It no longer meant a thing to me  
So I donated its value to charity

What we had was not real  
You were untrue  
Pretended to love me  
Played me a fool  
Now I know you were messin around  
Why don't I give you that ring back now?

False love, false love  
That's exactly what it was  
You're a counterfeit, counterfeit  
And that is my 'because'

False love, false love  
That's exactly what it was  
You're a counterfeit, counterfeit  
And that is my 'because'

Counterfeit, counterfeit  
You ain't never gonna see that rock again  
Counterfeit, counterfeit  
You ain't never gonna see that rock again
