Pia Toscano- This Time Lyrics

Well I'm mad as hell

I ain't gon' take it no more

My bag's is packed at the back of your door

'Cause I don't know who I am no more

You won the battle but you lost the war

I've been in denial, now I'm living the truth

Been down for a while, now I'm standing up to you

[Chorus]

This time, this time I'm gonna do it my way

This time, I'm finding out the hard way

This time, I'm gonna go back to the girl I was on the  
night you found me

No more, holding back the real me

Just wait, in a minute you'll see

This time, just in time, it's my time

Getting back to the real me

Don't try to stop me with the words you say

'Cause I'm sick and tired of the games you play

I'm gonna free myself, gonna make a change

And like a butterfly, I'mma spread my wings

Been crying for too long, now I'm drying my eyes

Grounded for so long, now it's time for me to fly

[Chorus]

This time, this time I'm gonna do it my way

This time, I'm finding out the hard way

This time, I'm gonna go back to the girl I was on the  
night you found me

No more, holding back the real me

Just wait, in a minute you'll see

This time, just in time, it's my time

Getting back to the real me

[Bridge]

I'm mad as hell

I can't take it no more

My bag's is packed at the back of your door

I promise you, this time!

[Chorus]

This time, this time I'm gonna do it my way

This time, I'm finding out the hard way

This time, I'm gonna go back to the girl I was on the

night you found me  
No more, holding back the real me  
Just wait, in a minute you'll see  
This time, just in time, it's my time  
Getting back to the real me
