[Hook: Rocko]

Maybe it's my car
Maybe 'cuz I'm flexing
Maybe it's wrist-piece
Gotcha bitch getting naked
Maybe it's bracelet
Maybe it's my chain
Maybe it's my swagga
Gotcha bitch off the chain
Maybe it's 'cuz I'm on
Maybe it's my dougie
Maybe it's my cologne
Gotcha bitch wanna fuck me
Maybe it's how I be thuggin'
She like the way I be kicking it
Maybe it's all this money
She like the way I be getting it

[Verse 1: Prez]

They taught me how to dougie, I think they made a
mistake
'Cuz I'm on the dance floor rubbin', my dick against
they dates
Now we headin' to the exit, the club 'bout to explode
'Cuz eybody leavin' together, I'm takin' your girl home
Now we walkin' through my front door, I don't think I
can make it
We run to the bathroom, she bendin' over to take it
You outside the club, 'cuz your boys started to get
bored

I'm in bed makin' love, got your girl up 'gainst the
headboard
Maybe it's my Nikes, got your bitch in a daze
Maybe it's my Polo, got your bitch on the chase
Maybe it's my wrist-piece, this brand new Kenneth Cole
Or maybe it's my lyrics, got your girl on the pole
Whatever the case is, maybe you done failed
It's gon be hard to face it, but my charm prevailed
Now this girl got me on speed dial, my pin number and

all
You keep hittin' that redial, she can't answer no calls
(Haha)
