Intro

Take time
Go away
Turn around
Cuz I need you to take time
Go away
Turn around
Yes I need you to stay, to stay
Yes I need you to stay, to stay

Verse

I'm locked down my world's a prison
Confined only by the state of mind I live in
Infatuated with women and all this money I'm getting
I'm trapped by this rock star lifestyle I'm living
(I'm trapped, so lost)
Yah, it's got me thinking like I need another
They say love is blind we can't see each other
I'm addicted to these girls my bad habit
You can keep your heart
Yah you can have it

Chorus

Did I push too hard?
Did I go too far?

To be the one from the start
Did I try too hard?
Did I go too far?
For your heart
For your heart
For your heart
For your heart
For your heart

Verse

I'm girl crazy, I'm losing my mind
Perfect 10, I got them dimes all standing in line
Got shorties over here and shorties over there, but I
don't really care forget these b*%\$&^
(I don't, I don't care)
Rock star lifestyle I'm gonna live it up

Cuz I'm a virgin to these girls
I never give a f*&%\$ about any this love shit
Never get a hold of me
After you getting under me you better get over me

Chorus

Bridge
I'm coming for your heart

Chorus out
