You keep pushing the blame on our colonial fathers  
You say they came and they took all we had possessed  
They have to take the abuse that they have caused our  
present state with their  
intruding history  
Use our goodness and nourishment in the Name of  
missionary  
Lied to us, blinded slaved us, misplaced us, strengthen  
us, hardened us then  
they replaced us now we got to learn from pain  
Now it is up to us to gain some recognition  
If we stop blaming we could get a better condition  
Wake up world!  
Wake up and stop sleeping  
Wake up africa!  
Wake up and stop blaming  
Open ur eyes!  
Stand up and rise  
Road block oh life penalty

Why do we want to remain where we started  
And how long do we want to stop ourselves from  
thinking  
We should learn from experience that what we are here  
for this existence  
But now we decide to use the same hatred to oppress  
our own brothers  
It is so comfortable to say racism is the cause  
but this time it is the same colour chasing and biting us  
Knowledge and selfishness that they gave to us, this is  
what we use to abuse us

Wake up world!  
Wake up and stop sleeping  
Wake up africa!  
Wake up and stop blaming  
Open ur eyes!  
Stand up and rise  
Road block oh life penalty

Those who have ears let them hear

Brothers who are not brainwashed takt ruins and rest  
Pick them up and stick them back together  
This is the only way we can change this african weather  
Lied to us, blinded slaved us, misplaced us, strengthen  
us, hardened us then

Wake up world!  
Wake up and stop sleeping  
Wake up africa!  
Wake up and stop blaming  
Open ur eyes!  
Stand up and rise  
Road block oh life penalty

you got to wake up please  
youuuuu got tooo  
(wake up africa wake up and stop blaming)  
blaming ha ha ha  
open yours eyes your eyes  
stand up and riise  
road block oh life penalty  
wake up...
