Verse

I don't know why I said those things that night
I don't know why I left
She'll move on with her life it won't take her
Very long to find a new guy

Chorus

Without her I won't be satisfied
I've got to catch her before
She runs out the door with a map of New York

Verse

Oh and now she's leaving
Rumor is she's heading north tonight, for good

And I've got to find her, I couldn't let her go
Without a fight, that's right

Chorus

Without her I won't be satisfied
I've got to catch her before
She runs out the door with a map of New York

Bridge

La dee dada la dee dada oh oh oh oh x2

Chorus

Without her I won't be satisfied
I've got to catch her before
She runs out the door with a map
