V: Out of all the wrong I've done, I must have done something right, To have You here tonight. After all the mistakes I made, they must have just went away, to feel the way I feel today.

Pre: I'm only a man, I'm only a man.

C: You take me as I am, broken and abused, this joy that I have, I owe it all to You, You take me as I am, made me brand new, I die to myself and find life in You, because You take me as I am

V: How does a sinner like me, become heir to the throne, and some say call heaven my home

Pre: when I'm only a man, I'm only a man.

C: You take me as I am, broken and abused, this joy that I have, I owe it all to You, You take me as I am, made me brand new, I die to myself and find life in You, because You take me as I am
