V: I have seen all that I can, i am a simple man, whos words are softly spoken. The storm, is raging up inside, these rain clouds can't hide, what drowns my selfish Pride.

Pre: All that I know and all that I see are gone. Though the clouds may block it out all I can see is the sun

C: Bring on the storm, let the trials fall, and let it rain down, and flood over all. My feet to this ground, are solid to God. As I look to the Lord, I speak to the Storm

V: At the end of the day I will stand amazed, at Your Love and Grace. i will stand firm and still, and trust in Your will, through this Your Love I feel.

Pre: All that I know and all that I see are gone. Though the clouds may block it out all I can see is the sun

C: Bring on the storm, let the trials fall, and let it rain down, and flood over all. My feet to this ground, are solid to God. As I look to the Lord, I speak to the Storm
