And you said rise above  
Open your eyes up  
And you said rise above  
But I can't  
I can't

How long will it take  
Before these feelings  
Go away  
How much longer do I wait  
And are there any real answers  
Anyway

Your silence in a crowded room  
Louder than the loudest tune  
I hang on every word

And you said rise above  
Open your eyes up  
And you said rise above  
But I can't  
I can't

I miss you in everything  
I was too fast traveling  
To take you in

I know, silence is no crime  
Just wish I could hear you fill it up  
One more time

Yes, I know what you'd say to me  
Exactly what you said to me  
I Still hang on every word

And you said rise above  
Open your eyes up  
And you said rise above  
Yourself

In a time of treason  
Is there time for trust

Where there's no them  
Only us  
Is there time for reason?  
Has your heart had enough  
Is it time to let go  
And rise above?

And you said rise above  
Open your eyes to LOVE  
And you said rise above  
Yourself
