It started just like a normal night
no one I wanted to see, everything so bright
I caught a glimpse of her eyes
far away from me, so close to my heart

I can feel my stomach aching
my hands are shaking
will she ever see me?
will she know how I feel

I'm dying beneath this bright lights
forever a fantasy forever your smile
I'm dying beneath this bright lights
forever a fantasy and never your arms

I'm dying beneath this bright lights
I'm dying beneath this bright lights

I see her smile far away across the floor
always beautiful like shiny diamonds
maybe if I go talk to her she'll know
that I'd give my life to hear her voice

I can feel my stomach aching
my hands are shaking
will she ever see me?
will she know how I feel

I'm dying beneath this bright lights
forever a fantasy forever your smile
I'm dying beneath this bright lights
forever a fantasy and never your arms

I'm dying beneath this bright lights
forever a fantasy forever your smile
I'm dying beneath this bright lights
forever a fantasy and never your arms

I'm dying beneath this bright lights
I'm dying beneath this bright lights

I'm dying beneath

I'm dying beneath
I'm dying beneath
I'm dying beneath this bright lights

I'm dying beneath this bright lights
forever a fantasy forever your smile
I'm dying beneath this bright lights
forever a fantasy and never your arms

I'm dying beneath this bright lights
forever a fantasy forever your smile
I'm dying beneath this bright lights
forever a fantasy and never your arms

I'm dying beneath this bright lights
I'm dying beneath this bright lights
