One is the loneliest number  
That you'll ever do two can be as bad as one  
It's the loneliest number since the number one

No is the saddest experience you'll ever know  
Yes it's the saddest experience you'll ever know  
Because one is the loneliest number that you'll ever do  
One is the loneliest number that you'll ever know

It's just no good anymore  
Since you went away  
Now I spend my time  
Just making rhymes of yesterday

Because one is the loneliest number  
That you'll ever do  
One is the loneliest number  
That you'll ever know

One is the loneliest number  
One is the loneliest number  
One is the loneliest number  
That you'll ever do  
One is the loneliest number  
Much, much worse than two

One is the number divided by two  
One is the loneliest number
