in the last month ive been once I am done
I go at half twelve and I leave by one
cos I realise that jamming-â€™™ on my sofas more fun
all I do is watch friends
probably the reason why ive not got friends
yeah what men the day I move
is the day that people say that Rachael-â€™™ s got
pegged
yeah I don-â€™™ t play no games
sitting here sipping on some pino gregio
yo getting texts of my ex wanting sex bruv
parred everyone still she is quite safe though

basically lay-low stay in play halo breaks at my say so
what? And if I do go out well im getting cheesy chips on
the way home
[CHORUS]
This is how I want to live my life for all these years to
come
and I will do it I will do it
and if I keep this up then I will end up jobless fat and
dumb
but I will do it I will do it

Listen up yo I said check me out im a proper couch

I don-â€™™ t play no games yo get me a sandwich with a
little bit of mayo
