Yeah I'm still the kid in the back of the bus,  
drinking beer I'm not actually fussed,  
still in it for the natural buzz,  
and my tracks are smashing it plus.  
I love those (SLUTS) who don't give a (FUCK),  
well they do really that's the irony,  
couldnt give a shit about piracy,  
you better know I'm bored now please dont lie to me.  
I just wanna get my girls well fed,  
nice warm toast with chocolate spread (YUM)  
I could do my work, or i could just get pissed instead.  
Here's my to do list it says, ring my chick get kissed in  
bed (MWAH)  
You get my gist i pledge, I won't do shit till I need to,  
people!  
Stop sayin that the world is equal, on FIFA I know that at  
beat y'all.  
I thought Green Street was a mean feat,  
but what kinda dream said let's make a sequel?  
They shoulda made a sequel to space Jam,  
still got ma theme tune bangin up the bass line,  
got a great band don't have to place round with a sign  
outside sayin sorry no i said!

Who said I can't do what I want?  
No i said who said I can't do what i like?  
Yeah bruv! You can do what you want,  
but but but you can't be what I do if you tried. (if you  
tried)

No i said who said I can't do what I want?  
i said i said no i said who said I can't do what i like?  
Yeah bruv! You can do what you want,  
but but but you can't be what I do if you tried. (if you  
tried)

You got a reaction, you got a reaction didn't you?  
You took a white orchid, you took a white orchid turned  
it blue.

I still think in the back of my mind i'm young, so i'm  
never lacking the time,

and in that case i might ask that chick and her sister  
"wanna come back to mine?"  
That slap was fine but can't blame a boy for tryin man,  
the way i see it if i got those two naked on my bed i'd  
actually die.  
But I'm all good baby, we haven't done much talkin  
lately,  
and that's all gravy, was there after i was like my mind  
goes hazy.  
Then I come tight with bars, strip it all down like stripes  
and stars, nice and calm (still got it locked)  
Well your flights cheaper than flights to France.  
The newest recruit in the toon squad, bangin ya boom  
box pass me a few shots,  
Oi mate you what still just a teen man, bangin out tunes  
for you lot to DO ONE.  
And when i'm played again or paid again or laid again,  
i'll know i'm great again, champion name with age vien.  
Save it friend, i said talk to it save it,  
don't want to force feed you words once i've made it,  
your chanced are faded.  
Dominate your best friends playlist,  
when i say rizzle, you say kicks, rizzle, PRICK, why you  
gettin cheeky?  
Easy i know you've got ma CD so don't get B.R.A.V.E-  
Yes I said!

Who said I can't do what I want?  
No i said who said I can't do what i like?  
Yeah bruv! You can do what you want,  
but but but you can't be what I do if you tried. (if you  
tried)

I said who said I can't do what I want?  
i said i said no i said who said I can't do what i like?  
Yeah bruv! You can do what you want,  
but but but you can't be what I do if you tried. (if you  
tried)

Something's better than nothing, (how dare you)  
how dare you (oh you cheeky bugger)  
Something's better than nothing  
ah ah ah uh oh, ah ah ananana na na na duh duh  
dun dun oh, did that track just stop?
