[Verse 1]

Hold me closely  
Baby one last time  
Let me breathe in  
Every passing moment  
Kiss these lips Before you walk away  
Take my hand Before you leave me lonely

'cause i never wanted to hold you back or own you  
I care enough to let this be goodbye

[Chorus]

And i will always love you  
And i will always care  
And i'll always remember all the good times we shared  
I'll hang onto the memories  
And let you go in style  
And promise not to fall apart  
Baby if it breaks my heart

[Verse 2]

You shared your life  
You made me laugh  
You dried my tears  
And held onto the mourning  
So if nothing last Looking back  
Its been worth while Knowing you baby  
But i have to say I was betting on forever  
But baby if you have to then fly high

[Chorus]

And i will always love you  
And i will always care  
And i'll always remember all the good times we've  
shared  
I'll hang onto the memories  
And let you go in style  
And promise not to fall apart  
Baby if it breaks my heart

[Bridge]

[Coda]

And i will always love you

And i will always care

And i'll always remember all the good times we've  
shared

I'll hang onto the memories

And let you go in style

I'll promise not to fall apart

Baby if it breaks

If it breaks my heart

My heart.....
