I can remember that when I was a little you,  
I wanted to fly around the world making a new life,  
I never thought today I would be what I am now.

(Yo) Wanted to be a fireman then I lost the desire man  
The second I got old enough to buy myself a cider can,  
(Yeah) I was a smart little kid, that sized a part of me  
since,  
These days you can catch me sitting with a bench in the  
park with a lager and crisps.

(CHORUS)

Back when I was younger, I wanted to be everything on  
the planet (on the, on the, on the planet)  
Now that I am older, it seems the ambition has  
vanished.

(Uh) Yeah, when I was a youngester, when I was a,  
When I was a youngster, youngster,  
When I was a youngster.

Yeah, and now that I'm older, I wish I could of been  
everything that I wanted. (I'm on it)

I think that if I think back (back)  
To the days when I thought I didn't think that nothing  
that I thought would not be possible,  
Tryna' figure that out (out),  
But I didn't know how,  
To settle for a desk drop bringing those pounds,  
I wanted to live in those clouds,  
These days I deliver no sounds.

I always thought of myself as a simple dreamer,

I never tried too hard but believed it,  
Now all of a sudden it's gone my way.

Back when I was younger, I wanted to be everything on  
the planet (on the, on the, on the planet)  
Now that I am older, it seems the ambition has  
vanished.

(Uh) Yeah, when I was a youngester, when I was a,  
When I was a youngster, youngster,

When I was a youngster.  
Yeah, and now that I'm older, I wish I could of been  
everything that I wanted (I'm on it)

(When I was a youngester, when I was a,  
When I was a youngster, youngster,  
When I was a... Yeah)

Back when I was younger, I wanted to be everything on  
the planet,  
Now that I am older, it seems the ambition has  
vanished.  
Yeah, when I was a youngester, when I was a,  
When I was a youngster, youngster,  
When I was a youngster.  
Yeah, and now that I'm older, I wish I could of been  
everything that I wanted (I'm on it)

Back when I was younger, I wanted to be everything on  
the planet (on the, on the, on the planet)  
Now that I am older, it seems the ambition has  
vanished.  
Yeah, when I was a youngester, when I was a,  
When I was a youngster, youngster,  
When I was a youngster.  
Yeah, and now that I'm older, I wish I could of been  
everything that I wanted (I'm on it, yeah)
