(vany)

So hard to trust that you can live and be sure
I made a promise that I wonder no more
I dream myself to all the good things in life
My happiness I won't sacrifice

(nadjja)

I made a change more messin' around now I got my
feet heppin' on the ground
No longer runnin' with no place to go don't tell me that
it isn't so

Refrain (all):

Now the rain has gone and I'm movin' on like a gentle
autumn breeze
No I won't hold on
'cause it won't be long
'til I - I'm crusin' on a autumn breeze

(jessica)

Gotta keep believin' that I'm free
No guys or shackles gonna ever hold me look out for
myself that's what i'm
Gonna do
Ain't lookin' for somebody new

(lucy)

I've got my reasons why I'm feeling this way
See people take love and just throw it away
No longer hidin', this is where I wanna be
I'm flyin' like the wind on the sea

Refrain (all):

Now the rain has gone and I'm movin' on like a gentle
autumn breeze
No I won't hold on
'cause it won't be long
'til I - I'm crusin' on a autumn breeze

Refrain (sandy):

Now the rain has gone and I'm movin' on like a gentle

autumn breeze
No I won't hold on
'cause it won't be long
'til I - I'm crusin' on a autumn breeze
