You've been so close to me closer than I ever  
Thought you would and you were there for me  
When no one else was there to dry my tears.

But I never took my time for you cause I always  
Had so much to do.

Oh, come back in my life back in my heart  
Back on my side  
Oh come back in my life  
Back in my heart  
Back on my side  
You're the love of my life.

I was afraid that you would break my heart  
And run away  
But end will have it  
That you broke it anyway  
Oh yes you did

And now I just don't know what I should do  
Cause I can't take this pain I'm going through

Oh come back in my life  
Back in my heart  
Back on my side  
Oh come back in my life  
Back in my heart  
Back on my side  
You're the love of my life

Words are none to what I feel inside  
Can't you see I swallowed all my pride

And when I close my eyes I only see your face  
No matter what I do your always in my head  
What can I do to win your heart again

Cause since you've been gone oh I've been so alone  
Without you in my life oh I cannot go on

Oh come back in my life  
Back in my heart  
Back on my side  
Oh come back in my life  
Back in my heart  
Back on my side  
Your the love of my life
