This Song goes out to all the man in the world who don't know how to treat a lady!

[Chorus]

Who's sorry now  
You'd better learn how to say goodbye  
See you later  
Now it's over  
All changes gone  
You'd better move on and try to find  
Another love, it's time to say goodbye.

[Verse 1]

What is wrong with you, why you acting like a fool  
You don't need to hide, all the things you keep inside  
Cause now I know  
Baby I was right, you were playing with my mind  
And I already know  
So now it's time to go  
Who's sorry now?

[Verse 2]

All the time I thought, boy I messed it up  
Cause you tried to blame me for, not trusting you  
nomore  
But now I see  
All the time you lied, all the tears that I have cried  
While you where having fun, cause I was not your only  
one  
Who's sorry now?

[Mid 8]

Now I wanna let you know  
I don't need you anymore  
Cause don't need your lies, now pay the price for  
tearing up my heart  
I don't need your poor excuse, baby this time you will  
lose  
Cause now I'm strong to carry on, without you by my  
side
