Guess you think that you're cool  
Guess you think that you're smart  
Guess you think you can tie up my heart with a ribbon  
Then pull it apart  
You don't wanna get down  
You don't wanna go deep  
Well I told you I love you  
But baby I figure that you were asleep  
There's no light  
There's no heat  
I can't dance  
There's no beat  
I've been waiting for something to happen  
But you hit delete

If you were a man  
You'd walk out that door  
Tell me love is a crazy game  
We've played it before  
If you were a man  
You'd get up and go  
Cos you know what it takes  
Takes a woman to know

Did you think that I'd wait  
With my arms open wide  
When I saw that it's over it's over  
Was written right there in your eyes  
There's no light  
There's no heat  
I can't dance  
There's no beat  
I've been waiting for something to happen  
But you hit delete

If you were a man  
You'd walk out that door  
Tell me love is a crazy game  
We've played it before  
If you were a man  
You'd get up and go

Cos you know what it takes  
Takes a woman to know

Well I wanted you forever, babe  
But that ain't your style  
So next time when I'm kissing you  
I'll be kissing you goodbye

And if you were a man  
You'd get up and go  
Cos you know what it takes  
Takes a woman to know  
If you're breaking her heart  
If you were a man  
You'd get up and go  
Cos you know what it takes  
Takes a woman to know
