Yes you've been on my mind  
I've been drifting for quite some time  
This life is paralyzing  
This life is paralyzing me

I can't see through the grave  
Truth is I've been lost in the haze  
I need someone to save me

Truth's all I want  
All I want is you  
You're all I want  
All I want, All I want

Cause there's black and there's white  
And there's wrong and there's right  
I can't go one more night  
I'm telling you that I am sorry  
For all of the pain that I've caused  
I've been gone for so long  
I'm telling you that I am sorry  
Can you hear me?  
Please forgive me

I'm screaming through the noise  
Tell me you can hear my voice  
I am so lost without you  
I am so lost without you here

I need some clarity  
Need your spirit leading me  
My vision's getting blurry

Truth's all I want  
All I want is you  
Truth's all I want

All I want, All I want

Cause there's black and there's white  
And there's wrong and there's right  
I can't go one more night

I'm telling you that I am sorry  
For all of the pain that I've caused  
I've been gone for so long  
I'm telling you that I am sorry  
Can you hear me  
Please forgive me

I've locked in this maze  
For so long  
Show me the way back home  
Open my eyes to see You

Truth's all I want  
All I want is you  
Truth's all I want  
All I want

There's black and there's white  
There's wrong and there's right  
I can't go one more night  
I'm telling you that I am sorry  
For all of the pain that I've caused  
I've been gone for so long  
I'm telling you that I am sorry  
Can you hear me  
Please forgive me  
Forgive me

Yes you've been on my mind  
I've been drifting for quite some time  
This life is paralyzing  
This life is paralyzing me
