This is the death of me, oh, oh, oh  
The death of me, oh, oh, oh  
The death of me, oh, oh, oh  
The death of me, oh, oh, oh

Lost, I was wandering around  
Hoping I could find a place  
I'd be more than just a face in the crowd  
I heard one day You came  
Turned the lost into the saved  
Now You're showing me the way  
All along I've been believing I was living

But now that I'm free I finally see  
Living's worth dying for  
Buried whit you  
You're making me new  
The old man's death and gone  
This is the death of me, oh, oh, oh  
The death of me, oh, oh, oh  
The death of me, oh, oh, oh  
The death of me, oh, oh, oh

Your words were just ink on a page  
Always so hard to believe  
Until you revealed to me that  
Your love stepped into the world  
Now my past has been erased  
'Cause You saved me whit Your grace, Your grace  
All along I've been believing I was living

But now that I'm free I finally see  
Living's worth dying for  
Buried whit you  
You're making me new  
The old man's death and gone  
This is the death of me, oh, oh, oh  
The death of me, oh, oh, oh  
The death of me, oh, oh, oh  
The death of me, oh, oh, oh

No more holding on to all my secrets

No more living whit these broken pieces  
Now my life's been changed  
Today is a new day  
And I'll never be the same  
No, no, no

But now that I'm free I finally see  
Living's worth dying for  
Buried whit you  
You're making me new  
The old man's death and gone  
This is the death of me, oh, oh, oh  
The death of me, oh, oh, oh  
The death of me, oh, oh, oh  
The death of me, oh, oh, oh
