~Verse 1~

Hello Mercy, I have been searching for You lately
I've been wounded and from what I hear
You have the remedy

They told me You would be for me
So now I need to know
Is this a love that could save me
Or say You will then don't?
Will you stay with me when nobody is around?
If this is real, then tell me now

Chorus

Can You hold me together?
Can Your love reach down this far?
Can You hold me together?
'Cause without You holding my heart
I'm fallin' apart
Fallin' apart

~Verse 2~

Sayin' so long
Been lost, been gone
Not sure what to pray
It's not easy, but I know You see me
When I lose my way

I keep on floating
Not knowing if there is more for me
Don't want to sink beneath waves of negativity
I'm goin' under, I'm afraid that I might drown
If this is real, I need You now

Chorus

Can You hold me together?
Can Your love reach down this far?
Can You hold me together?
'Cause without You holding my heart
I'm fallin' apart
Yeah

Fallin' apart

Hold me Lord

~*Bridge*~

I'm feelin' stronger
With You by my side
And I realize
You are my hope
And I need to know, yeah

Chorus

Can You hold me together?
Can Your love reach down this far?
Can You hold me together?
'Cause without You holding my heart
I'm fallin' apart
Fallin' apart
Yeah

Ooh
Hold me together

Without you, I'm fallin' apart
Fallin' apart
