Asian boy is back, but this time, hes sad.

Verse 1

I spent long time thinking about you
Thinking of a rap to do
See somehow I cant forget you
I Yank My Cameltoe for you

I am sorry, that I make a song
Making fun of you
It was wrong, I deserve it,
And I realize that I really didnt know (oh oh oh)
The meaning of your music, but I know it now
So please come back to me, cuz I miss you so
All I know is, Im going kiss your phone (or something
like that)

Chorus

Thought I crank dat without you
But I cant, I dont know how to (oh yea)
I miss you Soulja Boy all the time
Even though I making fun of you
Its just because I like you (oh yea)
I miss you Soulja Boy all the time

Verse 2

I couldnt turn off my Youtube
Without trying to do what you do
The BirdWalk wasnt that easy
So instead I making the BirdSprint (sprint bird sprint)

If you hear this, contact me
Ill be waiting, in a tree
I believe in
Can you call me before ten
If you didnt notice, youre no ordinary
Boy youre special, in fact youre more
Youre not soulja boy, cuz to me you are soulja man
(maaaaaaN)

Chorus

Thought I crank dat without you

But I cant, I dont know how to (oh yea)
I miss you Soulja Boy all the time
Even though I making fun of you
Its just because I like you (oh yea)
I miss you Soulja Boy all the time

Chorus

Thought I crank dat without you
But I cant, I dont know how to (oh yea)
I miss you Soulja Boy all the time
Even though I making fun of you
Its just because I love you (yes I do)
