Amazing feel me you lies
When ism care sex sex
Wonder man the girl
The east eye if cool like
Step into the club
And then come a turn and them watch me,
Step on to the floor man,
Watch me on a clock way
Bass come like a trigger and
The DJ come and shot me
Rhythm takes control
And nothing can stop me
But them got me
Because take a glass of water now
Dance is getting hotter now
Drowning in the heat now, I don't wanna leave
Rude girl, you know we look hot
From we tick the time, we drip drop
Caught up in the night,

We ain't ready to go home yet
Just one more, please take on gimme
Mr. Sound Boy,
You no see me,
Free in the heat,
And the beat □till I sleep
Lord have mercy, oh the vibe is so sweet
Bad girl stamina can't done,
Lights on, still I dip and go down,
Tick it and a stock,
And a dip it and a drop it,
And a rock it, my selector don't stop it.

I keep on moving with the lights on (I keep on moving
with the lights on)
So come and play me just one more song
I keep on moving with the lights on
So you won't scare me with the lights on

Gimme one more song (oh..),
With the lights on,

Lights on

I keep on moving with the lights on
Come on, play me one more time (yeah)
With the lights on
