I tried to control it
Tried to maintain it
Tried to contain it
But I failed terribly
And I don't know what to do

I tried to hold back
And accept the fact
We ain't perfect
And what we got goin' on
Might leave us both with bruises

Neither one of us
Wanted either one to say goodbye
But both of us keep hittin'
Keep on screamin' and we don't know why
We're in love

Damn (Damn)
This wild heart of mine
It's gonna get me in trouble (x2)

I'm out so I folded
Bad hand so I'm throwing it all in
It's no one to blame
Too young in the game
For this wild wind
Let's try to hold back
And accept the fact

We ain't perfect
'Cause I love yah
At least I think I do
But baby

Neither one of us
Wanted either one to say goodbye (Oh Noooooo)
But both of us keep hittin'
Keep on screamin' and we don't know why
We're in love

Damn (Damn)

This wild heart of mine
It's gonna get me in trouble (x2)

Look me in the eyes
And tell me with no lies
That you
Feel the same
Look me in the eyes
And tell me with no lies
That you can be a better man
But I don't think you could

Damn (Damn)
This wild heart of mine
It's gonna get me in trouble (x2)

Ohohooohohoh
