I woke up this morning
To coffee in bed
The sunrise poetic
I need her instead
For too many years
Been wasting my time
I'm losing my patience
Is that a crime

Good Love, love, love is so rare
But I know, oh, oh, I know it's out there
Good Love, love, love is so rare
But I know, oh, oh, I know it's out there

Paint me a picture
Something surreal
Tell me you'll love me

If that's what you feel
I'm sure your waiting
Waiting on me
My life without you
Is'nt complete

Good Love, love, love is so rare
But I know, oh, oh, I know it's out there
Good Love, love, love is so rare
But I know, oh, oh, I know it's out there

Not my fate to break a heart
To little pieces
I can't wait to fall in love
For all the right reasons
Until then I'll dream of you
On and On
On and On
