I don't want to wait for tomorrow  
I'm so done feeling blue  
My heart aches with sorrow  
Since the moment that you left this room

Only you  
Got me so high on love  
I'm not through  
Can't get over our breakup  
Darling, we're miles apart  
And I'm still in love with you

If your pride is hurt, forgive me  
It was never part of my plan  
Come back, let's start all over  
This time I know we can make it last

Only you  
Got me so high on love  
I'm not through

Can't get over our breakup  
Darling, we're miles apart  
And I'm still in love with you

Do you still remember?  
The good times together  
Those dreams still linger  
Still believe in our love  
I'm not giving up

Only you  
Got me so high on love  
I'm not through  
Can't get over our breakup  
Darling, we're miles apart  
And I'm still in love with you  
we're miles apart  
And I'm still in love with you  
we're miles apart  
And I'm still in love with.....you
