I've yet to wish death on anyone  
yet to pull the wings off of a fly  
and i've yet to throw a cat into a washing machine  
and i've yet to get tired of your smile

Yet to fuck...??Yet to commit grave acts of violence  
I've yet to wear a fur coat  
and I've yet to shoot dead a class room full of kids  
and I've yet to tell you you're the one I love the most

Yet to submit to the creed of satan  
yet to play bass in a heavy metal band  
and I've yet to earn enough to live on

and i've yet to lose the urge to hold your hand

Well I've yet to make obscene phone calls to women  
and I've yet to interfere with mountain goats  
and I've yet to fuck my life up on drugs and booze  
and i've yet to tell you you're the one I love the most

Yet to fuck with the nation of Islam  
yet to make the FBI most wanted list  
and i've yet to try and commit suicide on stage  
and i've yet to lose desire for your kiss  
oh yeah  
i've yet to lose desire for your kiss
