Sons of William "Easy To Love"

It's hard to stand tall and it's hard to take a stand and it's hard to take a hand out and still feel like a man

it's easy to love you it's easy to love you it's easy to love you

your beautiful inside and your beautiful to me and you don't have to change anything

it's easy to love you

it's easy to love you it's easy to love you

and baby you should know the weight of losing you then you would never go away

love

love

loveeeeeeeeee

loveeeeeeeeee

It's easy to love you it's easy to love you it's easy to love you
