Oh, well, in five years time we could be walking round a
zoo

With the sun shining down over me and you
And there'll be love in the body's of the elephants too
I'll put my hands over your eyes,
But you'll peek through

And there'll be sun, sun, sun
All over our faces.
And sun, sun, sun
All on our bodies.
There'll be sun, sun, sun
All down my neck.
And sun, sun, sun
So, what the heck.

'Cause I'll be laughing at all your silly little jokes
And we'll be laughing about how we used to smoke
All those stupid little cigarretes and drink stupid wine
'Cause it's what we needed to have a good time

But it was fun, fun, fun
When we were drinking.
It was fun, fun, fun
When we were drunk.
And it was fun, fun, fun
When we were laughing.
It was fun, fun, fun
Oh, it was fun.

Oh, well, I look at you and say: "it's the happiest that
I've ever been"
And I'll say: "I no longer feel I have to be james dean"
And you say: "yeah, and I feel pretty happy too,
And I'm always pretty happy when I'm just kicking back
with you"

And will be love, love, love
All through our body's.
Love, love, love
All through our minds.
And it'd be love, love, love

All over her face.
And love, love, love
All over mine.

And I'll remember all these moments suggesting my
head
I'll be thinking about them when I'm lying in bed.
And I know that immediately they might not even come
true,
But in my mind I'm having a pretty good time with you

Five years time
I might not know you
Five years time
We might not speak
And five years time
We might not get along
Five years time
You might just prove me wrong

Oh, there'll be love, love, love
Wherever you go
There'll be love, love, love
