Oh Oh Oh Oh Oh
Oh Oh Oh Oh Oh

La La La La La La La La
La La La La La La La La

Come as you are
Baby bring your scars

Everything is fine
It's gonna be alright

A girl I've seen around
Has the face of a clown
You know the happy upside-down-look

Although her mouth looks glad
Her eyes are sad

She says she's heavy like her daddy

It's like she feels so much
That she kills the rush

She's unhappy all of the time
She's a twisted wristcutter

Wristcutters incorporated

Throw your hands up in the air
And wave 'em like you just don't care

Wristcutters incorporated

Throw your hands up in the air
And wave 'em like you just don't care

Come as you are
Baby bring your scars

Everything is fine
It's gonna be alright

And just the other night
I could hear him cry
Although he lives two blocks away

And his every idol was suicidal
His beloved Kurt Co-bang bang bang

Mhm

But there's no nirvana
Beacuse he doesn't wanna

He's unhappy all the time
He's a twisted wristcutter

Wristcutters incorporated

Throw your hands up in the air
And wave 'em like you just don't care

Wristcutters incorporated

Throw your hands up in the air
And wave 'em like you just don't care
(You are beautiful)

Wristcutters incorporated

Throw your hands up in the air
And wave 'em like you just don't care

Wristcutters incorporated

Throw your hands up in the air
And wave 'em like you just don't care
(Throw your hands up)

Wristcutters incorporated

Throw your hands up in the air
And wave 'em like you just don't care

Wristcutters incorporated

Throw your hands up in the air
And wave 'em like you just don't care

Wristcutters incorporated

Throw your hands up in the air

And wave 'em like you just don't care

Wristcutters incorporated

Throw your hands up in the air
And wave 'em like you just don't care

Come as you are
Baby bring your scars
