Blacklisted incidentally
Did I choose it or it choose me
Did I force your hand with my inquiry
Are you ever going to talk to me

No one offers evidence,
No one suspects innocence.

You don't reply conveniently,
I thought I acted admirably.
I admit my mistake,
But I was never on the take.

I know where my sympathies lie.
I know where my sympathies lie.
I know where my sympathy lies.
Buried half-alive in shallow graves,
Restless hungry for the light you gave.
And stole away.

Well I spoke without a unity (?)
Just to see what you were doing to me (?)
I guess this is my reward
That we can't reach some accord

I know where my sympathies lie
I know where my sympathies lie
I know where my sympathy lies
I know where my sympathy lies
