For a head of a noble foal
on the line just to get loose
and the back seems to say
Remember, brother, you know not to play ...
For a head crush on one day, " of that cute and
cheerful woman smiling " swear that the love that is
lying, " a fire burning in my love.

For a head all the craziness, " kissing her mouth
clears the sadness,
bitterness calm. For a head " I forget if she cares to
lose, " life a thousand times why live ...

Many disappointments, by a head, " I swore a
thousand times, no I insist,
but a look hurts me to pass, " his muzzle again, I
want to kiss.
No more races, finished timba, a final odds " I'm not
going to see,
but if some pingo becomes
