What an amazing time  
What a family  
How did the years go by?  
Now it's only me  
Tick tock, tick tock  
Tick tock, tick tock  
Tick tock, tick tock  
Tick tock, tick tock  
La la la la la la

Like a cat in heat stuck in a moving car  
A scary conversation, shut my eyes, can't find the  
brake  
What if they say that you're a climber?  
Naturally I'm worried if I do it alone  
Who really cares 'coz it's your life you never know, it  
could be great  
Take a chance 'coz you might grow  
oh ah oh  
What you waiting  
What you waiting  
What you waiting  
What you waiting  
What you waiting for?  
What you waiting  
What you waiting  
What you waiting  
What you waiting  
What you waiting for?

Tick tock, tick tock  
Tick tock, tick tock  
Take a chance you stupid ho  
Like an echo pedal, you're repeating yourself  
You know it all by heart, why are you standing in one  
place?  
Born to blossom, bloom to perish  
Your moment will run out 'coz of your sex chromosome  
I know it's so messed up how our society all thinks  
Life is short, you're capable  
Look at your watch now  
You're still a super hot female

You got your million dollar contract  
And they're all waiting for your hot track  
What you waiting  
What you waiting  
What you waiting  
What you waiting  
What you waiting for?  
What you waiting  
What you waiting  
What you waiting  
What you waiting  
What you waiting for?

I can't wait to go back and do Japan  
Get me lots of brand new fans  
Osaka, Tokyo, you Harajuku girls  
Damn, you've got some wicked style  
Go, look at your watch now  
You're still a super hot female  
You got your million dollar contract  
And they're all waiting for your hot track  
What you waiting  
What you waiting  
What you waiting  
What you waiting  
What you waiting for?  
What you waiting  
What you waiting  
What you waiting  
What you waiting  
What you waiting for?  
What you waiting for?  
What you waiting for?  
(What you waiting for?)

Take a chance, you stupid ho  
Take a chance, you stupid ho  
What you waiting for?  
What you waiting for?  
(What you waiting for?)  
Take a chance, you stupid ho  
Take a chance, you stupid ho
