I'm unlocking the doors I found the key in life
Is 4 o'clock in the morning how you're singing right ..
try to get it
right before I learned to read and write
I drop 60 on the ... Jesus Christ
'cause Jesus might let me in the heaven
To f*ck around I wash away my sense
When I flood the necklace young and restless
I come first she come the second
got the whole city..for one record
drop top scoop your big ..then I drop her
you want the picture I crop you
it's about the whole .. not ..take my car ..
you get ahead just from using your brain
Told I'm fillin' a friend ..she's gonna do the same
I'm the nigga you should roll with
Yes they ain't she was my new girl ...she my own b*tch

Chorus:

You're ready to roll, I'm ready ..
Been .. Patron all have been ..
that's more than I drink,
usually, I wanna see you droppin
girl if you're afraid of.
You're ready to roll, I'm ready ..
Been .. Patron all have been ..
that's more than I drink,

usually, I wanna see you droppin
girl if you're afraid of.

You're very cool for a chickens and I push it to the limit
Me and slim .. like the time wait a minute
I'm .. 'cause the country with women in other money
where I use the dollar bills a taller paper and taller sits
Damn! I'm shooting on my hand 'cause my watch close
the candy bar
That's a honey ..fresher than Italy ..disappears magic
Keep the bur with the .. like Larry ..I shoot so please
don't ..
.. in the air bad b*tches everywhere..underwear
and I catch it grab it and rap it..home to my ..

She's doin' ...she all alone I'm a .. together we a
problem.

Ok..but right now it's the time nigga.

2 x Chorus:

You're ready to roll, I'm ready ..
Been .. Patron all have been ..
that's more than I drink,
usually, I wanna see you droppin
girl if you're afraid of.
You're ready to roll, I'm ready ..
Been .. Patron all have been ..
that's more than I drink,
usually, I wanna see you droppin
girl if you're afraid of.
