Gather 'round  
Lend an ear,  
If you feel it,  
Drawing near  
Hear the sound  
Passing through  
Always reaching  
Out to you

We are voices travel far  
Let them know just who we are

Dry the tears  
From your eyes

For tonight we  
Paint the skies  
Take my hand  
Come with me  
I will show you  
What I mean

Oh we have gone so far  
This is who we are

This is who we are  
This is who we are  
This is who we are  
This is who we are
